

**DO ~~IT~~ TRY THIS AT HOME**

**issue #8**

Featuring: **Marvin and Milo**

**What you need:** • A metal coathanger  
• Two pieces of string • A fork

Watch me tune in to this coat hanger.

Tie a piece of string to each corner...

Vic Le Billon

...and wrap the ends a round your fingers.

Put your fingers in your ears and I'll tap the hanger.

Was it loud?

.. "dong" ..

It sounds louder because the vibrations travel through the metal.
