

DO TRY THIS AT HOME

issue #92

Featuring: **Marvin and Milo**

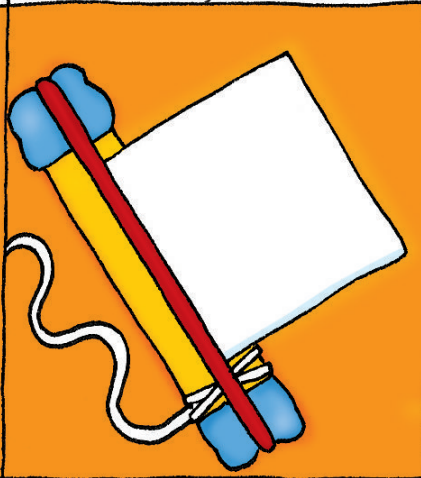

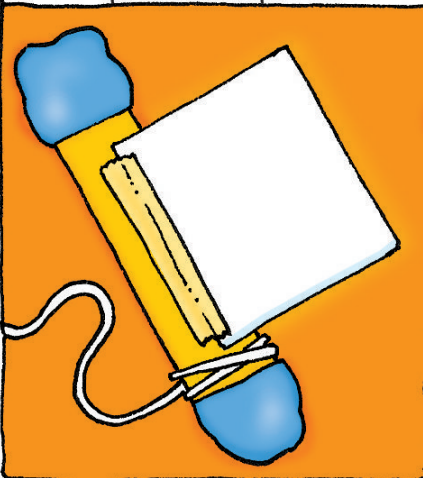

What you need: • An ice lolly stick • Blu Tack • String • A thick rubber band • Sticky tape • Thin card • Scissors

Cut a piece of thin card so it fits between the blobs, then tape it to the stick.

Tie a piece of string securely next to one of the blobs of Blu Tack.

Then stretch the rubber band around the lolly stick.

Find a clear space and swing your bee swinger about your head.

Try cutting the card into different shapes - can you hear a difference?
